

# Tom Sullivan Phone Script

Hi, my name is \_\_\_\_\_ and I'm a volunteer for our State Representative Tom Sullivan. How are you today?

**Is [Name of person on your list] around?**

**(You may choose to speak to the person even if it's not the person you were directed to by the list)**

*If No:* No worries! Would you do me a huge favor and let them know I called? [end conversation.] Thanks for your time!

*If Yes:* Fantastic, have you heard about Tom Sullivan, our current State Representative?

Tom has been doing some great work as your representative including passing Colorado's Extreme Risk Protection Orders to allow a judge to temporarily take away firearms from someone experiencing a mental break. He has also fought to lower healthcare costs and expand our workforce development programs. But he really wants to hear what matters to you.

***We're in the community engaging with voters on the issues that matter most to them. For you and your family, what are the issues that you want Tom focusing on?***

[record a note about the issue that matters most to them]

***Right now, extremist special interest groups are running a recall election to remove him from office. Will you join me in standing with Tom against the recall and declining to sign any recall petition?***

*If No:* Thank you for your time. Have a great day! (end here)

*If Yes:* Thank you so much for your support. (next question)

***We'd love to keep you in the loop on the campaign. What's a good email address for us to send updates to?***

*If Not sharing:* I understand – Have a Nice Day! (end here)

*If able to share:* Fantastic! I'll record this in my notes and we will be in touch soon.

**Follow-up Questions:** I'm just a volunteer, I don't actually know how he feels about that. We have a link to his website here on the bottom as well as his email address.

Hi, the message is for \_[first name]\_. My name is \_[insert first name]\_ and I'm calling as a volunteer for State Representative Tom Sullivan. I'm reaching out today because extremist special interest groups are launching a recall election against Rep. Sullivan after just his first four months in office. Rep. Sullivan has been working hard at the Capitol fighting for firearm safety, lower healthcare costs, and expanding workforce development programs. I hope you can join me in standing up for Rep Sullivan and declining to sign any recall petition.

Thanks, have a great day!
